ORDER GRANTING MOTION TO SEAL EXHIBITS

This matter came before the Court on Defendant's Motion to Seal Exhibits (the "Motion").

The court, being advised in the premises, finds the following:

1. On August 10, 2021, Plaintiff filed its Amended Complaint (Dkt. 24).
2. On August 24, 2021, Defendant filed its Answer and Counterclaim. Attached to the Answer and Counterclaim are four exhibits, which were previously marked "Confidential" or are confidential by incorporating an agreement that itself is marked "Confidential."
3. In the Motion to Seal, Defendant requests that the Court seal these exhibits.

4. The exhibits contain what appears to be confidential information not usually available to the public.

5. The public's right of access is not thwarted by sealing these documents, because the memorandum in support provides the public with a sufficient understanding of what these exhibits contain, without divulging any confidential information.

6. Because this matter is in an early litigation posture, the confidential documents have not been produced during discovery. Litigants will have access to the documents via CM/ECF.

7. The Exhibits at issue are identified as "Confidential."

8. Given the above, the Court hereby finds that the Motion is well taken and should be, and it hereby is, granted.

IT IS THEREFORE ORDERED that the Clerk of Court seal Exhibits 1, 2, 3, 4, and 7 attached to Defendant's Answer and Counterclaim.

IT IS FURTHER ORDERED that Exhibits 1, 2, 3, 4, and 7 are sealed from public access permanently, allowing CM/ECF access to counsel of record only.

IT IS FURTHER ORDERED that Exhibits 1, 2, 3, 4, and 7 are sealed from the public, thereby preventing access to the documents from CM/ECF and prohibiting access to the documents by terminal in the office of the Clerk of Court.

SO ORDERED, this the 26th day of August, 2021.
